

On Sunday 2nd February, 37 dancers joined Mervyn Short and Judith Muir for a challenging afternoon of Scottish dances. Several dances had been been devised by dancers in New Zealand - Beach dancer and Simple Delights. Others were new for most of us and each held its own challenge.

The combination of Mervyn's excellent tuition and Judith's lively accompaniments made the whole afternoon a "Dancing Delight".

We have another afternoon planned for May 3rd and do hope more experienced dancers will join us for this.
